## SPECIALIZING IN PLASTICS PROCESSING EQUIPMENT

Compressed Air Vacuum Loaders

Fines Separation/Deduster of Plastics Material up to 200,000 #/hr

Plastic Welding-Ultrasonic, Vibration, Spin, Heat Staking and Hot Plate

Screen Changers, Extrusion Gear Pumps and Static Mixers for the Extrusion, Polymer Processing and Recycling

Drawer and Inline Magnets; Metal Detectors, Conveyors

Screenless, Beside the Press, Central Granulators, Shredders. For all Processes, Easy Clean Concept w/Pivoting Cutting Chamber-Screen, Pre-Adjustable Knives and Modular Silencing Systems

Water Manifolds, Flow Meters, Quick Change Ejector Knock-Outs

Blown Film Lines, Cast Film, Thermoforming Sheet, Extruders, Die and Air Rings, Winders, Haul-offs and Reilloy Screws & Barrels

Mold Maintenance Products. Mold Release, Cleaners, Degreasers, Lubricants and Rust Inhibitors

Sprue Pickers, Servo and Pneumatic Drive Robots, CNC Controls and EOAT

El-Exis High Speed and Systec General Purpose Injection Molding Machines

All Electric General Purpose and High Speed Injection Molding Machinery, 18-716 Tons Up to 400 Ton Made in the US

Modular Conveyors -Flat, Incline, Z-Style and Radius Turn

Permanent-Electro Magnetic Quick Mold Change Systems

Pressure Measurement/Control for Plastics and Process Applications

Water and Oil Temperature Control Units for Plastics and Die Casting; Portable and Central Chillers; Towers and Pump Tanks

Hot Runner Systems; Multi-Cavity and Manifolds

Chemical free Filtration Systems for Tower and Chiller Systems; Process is 100% Guaranteed

Aluminum Tubing, Elbows, Couplings, Conveying Components and Accessories

Threaded Inserts, Press-In, Molded-In, Ultrasonic Inserts and Custom Designs

Liquid and Volumetric Color Feeders, up to 12 Component Gravimetric Blenders and Vacuum Dryers

Hydraulic and Electric Injection Molding Machinery from 500-7,000 Tons, Co-Injection and Low Pressure Molding

Closed Loop Conveying Systems; Press Side, Compressed Air and Central Dryers, Blenders

Size Reduction Systems; Shredders, Conveyors and Metal Detectors

Surge Bins, Silos, Tilters, Gaylord and Barrel Dumpers

WE ACCEPT
